Vendor Call for Proposals: NABL Training on ISO 15189:2022 & Six Sigma Training

Purpose:

We are seeking qualified vendors to provide training in:

1. **ISO 15189:2022 Accreditation** for laboratory professionals to support NABL accreditation.
2. **Six Sigma** for quality improvement and process efficiency.

Training Requirements:

- **ISO 15189:2022 Training:** Covers implementation, NABL guidelines, documentation, audits, and continuous improvement.
- **Six Sigma Training:** Includes DMAIC methodology, process mapping, data-driven decisions, and statistical control.

Vendor Qualifications:

- Experience with ISO 15189:2022 and Six Sigma training in labs or healthcare.
- Certified trainers and proven training outcomes.
- Ability to customize training content.

Proposal Submission:

- Company profile, training plan, trainer qualifications, schedule, pricing, and references.
- Financial proposal outlining unit cost per participant separately for ISO and Six Sigma Trainings as per the mode of trainings.
- Submit by 24TH March 2025 to ndtbc@yahoo.com / Stdcdl@rntcp.org

Evaluation Criteria:

Proposals will be evaluated on relevance, vendor experience, approach, cost, and client references.

SCREENING CAN BE DONE EARLIER ALSO, IF WE GET GOOD PROPOSAL.

Please submit your proposal on or before 24th March, 2025 to the undersigned.
